MEMORANDUM FOR: Chief, Special Security Center

ATTENTION:

FROM:

Security Officer, ICS

SUBJECT: Security Indoctrination of STAP Members

1. On Monday and Tuesday, 15 and 16 March 1982, a meeting will be held [redacted] involving the DCI's Scientific and Technical Advisory Panel (STAP). The responsibility for supporting STAP has been reassigned from the DDI to the Intelligence Community Staff.

2. [redacted], a retired Agency employee, is the Executive Secretary of STAP. He has requested that the membership be security indoctrinated on those special accesses on which they have not yet been briefed during the initial session on 15 March 1982. It is requested that you or someone from your office brief the membership commencing at 0830 hours on 15 March 1982. According to [redacted], this briefing time is non-negotiable as the DCI will address the group at 0930. The membership must be indoctrinated prior to the DCI's comments.

3. For your information, the membership is listed below together with the special accesses which they are lacking. It is requested that you be prepared to indoctrinate them on the special accesses shown next the their names.
